

## CATTLE DRIVE RESERVATIONS

## ➤ ROUND-UP ➤ & CATTLE DRIVE

### INDULGE YOUR COWBOY SPIRIT

Step back in time and experience an adventure as each fall we gather our herd of cattle off the mountain pastures and drive them to the shipping corrals.

The two-day round up includes exceptionally beautiful horseback riding through mountain meadows and rugged pine forests. You can ride for hours without seeing another human being. We gather and drive the days herd to the ranch for late branding, vaccinating and sorting.

The two-day drive is about 10 miles each day, but you may have ridden twice that far bringing in the wanderers and strays from the flanks. Riders are welcome to explore the surrounding countryside during the drive.

On Saturday morning livestock trucks ship the cows. Our guests are welcome to watch and participate in the loading.

Guests can expect a variety of weather, from warm Arizona sunshine to glorious fall days with glowing aspens, to cloudy skies and brisk breezes.

We purposely limit the number of guests to provide you with an individualized, personalized adventure. You won't be lost in another crowd.
